

Prepare yourself for the most intensive, interactive, and inspiring workshop you will ever attend.

## Surviving the Active Lethal Threat in Schools: What Every School Needs to Know

Please join us for this **FREE** event!

Though presented specifically for schools, this groundbreaking training demonstrates best practices that are applicable across a variety of industries. This workshop contains critical instruction for preparing and implementing lockdown procedures, and is filled with life saving crisis response techniques that are backed by years of data, analysis, and experience. Attendees are encouraged to bring their current lockdown plans, and will leave with the knowledge and tools to revolutionize their approach to surviving the active lethal threat.
